

Practice

1. Run DUMMY_DATABASE.sql to your MySQL
2. Try to view all the tables from that database using select statement

Ans: **SELECT ***

3. Select the employee last names

Ans:

**SELECT last_name
FROM employees;**

4. Select the employee who earns more than 10000

Ans:

**SELECT *
from employees
WHERE salary > 10000;**

5. Select the employee who has last name starts with "k" or ends with "k"

Ans:

**SELECT *
from employees
WHERE last_name LIKE "K%" or last_name LIKE "%K";**
